

## Klean Multi – Multi Purpose Cleaner

### Description

Klean Multi is a general purpose concentrated liquid detergent for dishwashing, floor cleaning, hard surface cleaning, glass & vehicle cleaning.

### Key properties

**Dishwashing** - Safe on hands. Easy to rinse. Saves water. Removes stubborn soils. Mild and gentle on cutlery.

**Floor Cleaning** - Can be used on all floorings like marble, granite, vinyl etc. Compatible for use with the scrubbing machines. Pleasant lingering perfume.

**Hard Surface Cleaning** - Use on laminates, computers, telephones, TV and other plastic surfaces. Leaves surface clean without any scratches or streaks.

**Glass Cleaning** - Leaves glass sparkling clean without any scratches or streaks.

**Vehicle Cleaning** - Cleans without removing gloss. Effective for cleaning seat covers, dash-board and car-interior.

### Directions for use:

**Dishwashing** - Use at a concentration of 2% to 5%. Add 20 ml. of Klean Multi to 1 litre of hand-hot water.

1. Soak utensils in tank filled with warm Klean Multi solution.
2. Clean soil with scrubber.
3. Soak in rinse tank.
4. Sanitize in tank filled with sanitizer solution.

#### Floor Cleaning

1. Prepare a 1.5% solution of Klean Multi in a bucket of water.
2. Mop floor. No rinsing needed.

#### Hard Surface Cleaning

1. Prepare 1% solution in spray bottle.
2. Spray on surfaces to be cleaned. Wipe dry.

#### Glass Cleaning

1. Prepare a 0.2% solution of Klean Multi in a spray bottle.
2. Spray on glass surfaces. Wipe dry.

#### Vehicle Cleaning

1. Prepare a 1% solution of Klean Multi in warm water.
2. Wash car with this solution. Wipe dry. CAUTION: To protect wax shine do not use higher concentration.

**Windshield cleaning:** Fill a 0.2% solution of Klean Multi in the wiper-water reservoir and use the windshield sprayer.
